

PRAY FOR AN AMAZING RELATIONSHIP: CELEBRATING GODPARENTS AND GODCHILDREN

Set aside four weeks to pray for your godparents/godchild - use one idea each day

Week One Being there	Week Two Part of the family	Week 3 Good choices	Week 4 Discovering faith
Listening: Sit quietly for a moment and pay attention to the sounds around you. Pray that you will listen well to special people in your life.	Time: Place a calendar and a clock in front of you and pray that in the business of life families will have time for each other and for God.	Generosity: Donate to a charity and email the link, praying that giving will become a way of life.	Local church: Make your hand into the shape of a circle and pray that the local church will be a place of welcome.
Playing: Take a moment to sit on a swing or hold a child's toy and give thanks for times of play.	Friendship: Make a friendship bracelet or tie a thread around your wrist and give thanks throughout the day for family friends over many years.	Kindness: Hook your forefingers together and pray that kindness will be shown to friend and stranger.	Bible: Look up Psalm 119:105 and ask God to help you discover more about the Bible each day.
Going out: Take a moment to look at a website for a local park, museum or attraction. Pray that time spent there will be good time.	Love: Find a heart shaped cookie cutter or other heart outline. Look at the space and pray that love will always be there.	Compassion: Watch or read the news headlines and choose an individual from one story to pray for today.	Big church: Find a picture of a cathedral or local famous church and pray for an opportunity to visit together.
Memories: Share a special memory with your godchild/parent and pray that you may be making a store of more memories together.	Special times: Find a card and think about all the times that are special like birthdays and Christmas. Pray for God's peace on those days.	Work: Give thanks for the opportunity to work and pray that your godchild/parent will have work they find fulfilling.	Worship: Think about all the different services taking place in your church. Pray that children and families will be able to share in worship.
Laughter: Pull faces in the mirror to make yourself laugh and ask God to bless those you love with joy.	Hard times: Find a tissue and slowly fold into a small square, praying that when life is hard God's comfort will be known.	Joy: Take a moment to look closely at a spider's web, a flower or listen to a birdsong and ask God to give joy in all situations.	Prayer: Place your hands together and slowly close your eyes, asking God to show you how to pray.
Caring: Place your arms across your body as in a hug and ask God to be close during sad or hard times.	Home: Place your fingertips together to make a roof shape and pray for all who make family in the home you are thinking of.	Loyalty: Read Philippians 1: 3- 6 and make it your prayer today.	Witness: Pray for opportunities to tell other people about the amazing journey of faith that you are sharing.
Beginning: Look up Psalm 139 vs 16 and pray that together you may know God's presence on the amazing journey of faith.	Big world: Think of a country in the world and remember the families who live there, praying that we may all value each other.	Honesty: Hold a coin in one hand and a mirror in the other and ask God to help make good choices in what we do and what we say.	Light: Light a candle and pray the words from the baptism " Shine as a light in the world" for your godchild/parent.
