

40 Everyday Questions

These cards have 40 questions to help prompt conversations about life, faith and the world.

You can either pick them randomly or choose a particular card from one of the three themes: **LIFE**, **FAITH** and **THE WORLD**.

Why not seek out answers from different perspectives and generations?

Making connections

Many of these questions are not explicitly about faith, however think about how your answers connect to what you believe or what response God or the Bible might offer.

The questions can be used anywhere e.g.

- At church
- At school
- In homes
- In youth groups
- Amongst friends
- With colleagues

Some ideas to get you started

These cards are conversation starters, there are no 'right' answers. Here are two suggestions:

1. Shuffle the pack, pick a card at random and discuss.
2. Set a timer, pick a card and take 30 seconds in turn to talk about the question. The challenge for those listening is not to interrupt!
