

40 Everyday Questions

These cards have 40 questions to help prompt conversations about life, faith and the world.

You can either pick them randomly or choose a particular card from one of the three themes: **LIFE**, **FAITH** and **THE WORLD**.

Why not seek out answers from different perspectives and generations.

Making connections

Many of these questions are not explicitly about faith, however you can connect your answers to what you believe or what response God or the Bible might offer.

The questions can be asked in a variety of settings:

- At church
- At school
- In homes
- In youth/children's groups
- Amongst friends

Some ideas to get you started

These cards are conversation starters, there are no 'right' answers. Here are two suggestions:

1. Shuffle the pack, pick a card at random and discuss.
2. Set a timer, pick a card and take 30 seconds in turn to talk about the question. The challenge for those listening is not to interrupt!

Everyday Questions for groups

Pick some questions for each week - randomly or across the themes (LIFE, FAITH and THE WORLD):

- Listen to the responses to the questions
- Reflect on people's reactions
- Explore what the Bible has to say
- Identify a prayer focus
- Set a challenge for the week ahead
