

Being a place of Welcome

Lynda Herbert 2.12.24

1. Lynda, you are a licenced lay minister, a member of the disability action and inclusion group in your diocese and a volunteer with Through The Roof. You're clearly passionate about the issue of inclusion and accessibility for disabled people. Can you tell us a little about where your passion comes from and your own experience?

1. Thinking about this, how can we as church leaders and members learn to welcome our visitors fully?
