Music for Growing Faith

A Peer Support and
Learning Network
from the Growing
Faith Foundation

Who are we?

We're a group of people who work in music with children and young people. We represent a range of contexts, disciplines, musical genres and organisations, but have in common a desire to work collaboratively, learn from each other and improve the discipleship opportunities through the work that we do.

What are the aims of the network?

01

We gather regularly and build long-term, supportive relationships.

02

We understand the Growing Faith commitment and how and where we are contributing, and that this knowledge will help us in our work.

03

We share our knowledge, experience, resources and skills for the common good of the group, and ultimately the benefit of the communities we serve.

04

We learn together from others and from our peers.

05

We increasingly see our wider studies and role through the lens of Growing Faith.

How does the network connect?

8 x 60mins

The network consists of approximately 8 x 1hr sessions on Zoom over the course of a year, hosted by the Growing Faith Foundation. Each session comprises national input and small group peer support conversations.

Can I join in?

The network is free for everyone to join.
